

RESOUND PDX GUIDELINES DURING COVID-19

To provide the safest environment possible, we have created the following guidelines to keep each individual as safe as possible during this time. We ask that you read through the following points.

- 01** To stop the spread of germs, make sure that you wash your hands frequently, wear a face covering, cover your coughs and sneezes, and keep a safe distance of 6 feet.
- 02** If you have a fever of over 100.0 degrees Fahrenheit or show any other symptoms of illness, we kindly ask that you stay home and enjoy our online experience.
- 03** During the service, you will sit with the family or individuals within your household and we will maintain social distancing protocols set by the CDC.
- 04** Chairs, counters, doors, bathrooms, and any other surface you may come into contact with will be thoroughly cleaned prior to and after each service.
- 05** There will be multiple sanitization stations where you can get hand sanitizer or the bathrooms will be open so that you can wash your hands.
- 06** All volunteers will be instructed to follow proper health and safety guidelines to ensure the safety of themselves and others.
